Step 3: Attach the four table legs (B) to the support structure using the supplied bolts and Allen key.

Step 4: Secure the steel patch and screws where indicated in the assembly diagram.

Step 5: Position the tabletop (A) onto the assembled base and secure it using the supplied hardware, washers, and wooden nuts.

Step 6: Tighten all hardware securely. Verify that the table is level and stable before use.

Care and Maintenance

All outdoor furniture is subject to UV exposure and weather. Use furniture covers or store the furniture when not in use. **Wicker:** Clean with mild detergent and protect from prolonged weather exposure. **Wood Frames:** Protect surfaces from heat and liquids. Wipe spills immediately. Avoid placing furniture near radiators or open flames. Check bolts and screws regularly and tighten when necessary. **Stone Tops/Tabletops:** Clean with mild soap and water. Wipe spills promptly to avoid staining. Cover or store when not in use for extended periods. **Fabrics:** Clean spills with a cloth and water. Hand wash cushion covers using mild soap and water, rinse thoroughly, and air dry. Do not machine wash, tumble dry, bleach, or use abrasive cleaners. **Winterization:** Store furniture indoors during winter whenever possible. If indoor storage is not available, keep the furniture covered.
